

# Americano Cocktail

*Drink Recipe (Serves 1)*

## INGREDIENTS

1 oz. Campari	1 Orange, cut into wheels	Dash of Morton® fine sea salt
1 oz. Sweet vermouth		
1 ½ oz. Cold-brew coffee	1 cup Ice, crushed	

## DIRECTIONS

- 1) Swizzle or stir the ingredients over crushed ice in a tall glass.
- 2) Garnish with a fresh orange wheel.

## SALT RATIONALE

Morton® fine sea salt is often used in bitter cocktails to make the herbaceous quality come out, without being overly bitter. The salt helps tone down the bitter of both the campari and the coffee, making a smooth and refreshing tippler.
